

Ten Things you must know before starting CFA Level I Course At Finance Coach

1. Pursuing CFA Level I is a long process. Motivation is great, but discipline is the key to succeed. You need to have a daily routine of studying and commit to it
2. Commit to a time line to complete CFA level I and do not change it!
3. Finance Coach instructors are reachable through the course whatsapp group, or personal phone numbers (Any questions would be answered within two business days)
4. Studying without a practice is a waste of time and efforts. We recommend to answer the CFA Institute End of Chapter Questions after finalizing each reading, and after completing the course answer all ecosystem questions
5. Please, be aware that studying the curriculum issued by CFA Institute is essential to success. Finance Coach course and materials are developed to complement the curriculum and to facilitate the learning process, not to replace it.
6. All students have an option to temporarily pause the course for any personal/ work reasons without paying any extra fees
7. All students can re-attend the course without paying any extra fees, in-class re-attendance is subject to availability
8. Finance Coach holds sessions for students that are entering the exams through a dedicated exam takers whatsapp groups. The groups would have different instructors to help in any matters
9. For the dedicated exam groups, it is prohibited to share any questions related to the exam as per the CFA Institute Code of Ethics
10. We do not provide materials for Ethics. We strongly recommend careful reading of ethics at least twice from CFA Institute Books
